

Request for Investigation for Pittsburgh Land Bank Acquisition

INSTRUCTIONS AND GUIDELINES

Please fill out and return this Request if you would like the Pittsburgh Land Bank [PLB] to investigate the current status of the property and determine if it is eligible for acquisition by the PLB. The PLB acquires vacant, abandoned, and tax-delinquent property throughout the City of Pittsburgh when there is a path to return that property to productive use.

Whether or not the Land Bank decides to acquire the property identified below, PLB staff will follow up with the Requestor and notify that person of our decision. The Land Bank will not accept an outright donation of the property from its owner(s) without a proper investigation of the property's title.
